Build America, Buy America Proudly Made in the USA

At Marathon, we're proud to champion American manufacturing and infrastructure with our Build America, Buy America (BABA) compliant solutions.

With two strategically located manufacturing facilities in **Lebanon, Missouri**, and **Wausau, Wisconsin**, we deliver:

- **BABA Compliance** – Seamlessly meet federal requirements
- **Reliable U.S. Production** – Enjoy shorter lead times and simplified logistics
- **Unmatched Quality & Innovation** – Engineered to exceed expectations
- **Customer-Centric Solutions** – Tailored to fit your unique project needs

By choosing our U.S.-based facilities, you're not just selecting a partner—you're investing in **value, reliability**, and a **stronger national impact**.

Let's build a better future together—right here at home.

Contact us today to discover how our BABA compliant capabilities can elevate your next project!
